

Defamation Client Questionnaire

Thank you for contacting Curzon Green Solicitors.

Please answer the questions in the boxes below as far as possible. The information you provide will allow us to carry out an initial assessment of your case. In some circumstances, if we consider the merits to be strong, we may be able to offer a no-win, no-fee funding agreement.

The questionnaire also allows us to keep all the key information together in one document – this will save us and you time in the long run.
